Klickabdeckung

LENGTHS /

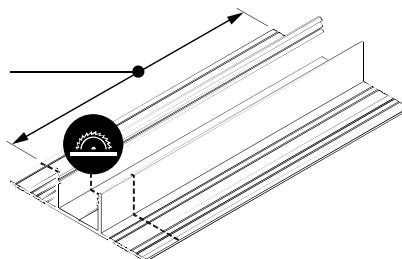

4.1

luminaire 4 mm longer
than LED profile / Leuchte
4mm länger als Profil

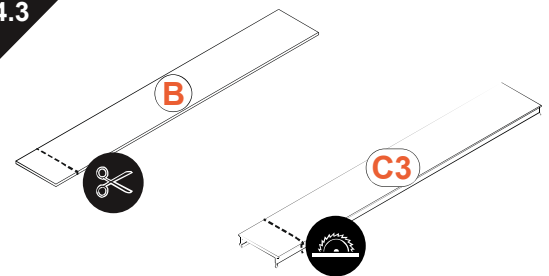

4.2

length the LED Profile
Profil auf Maß schneiden

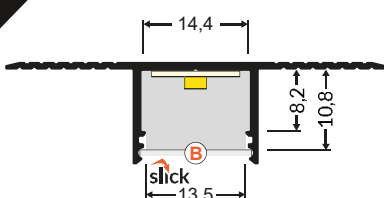

4.3

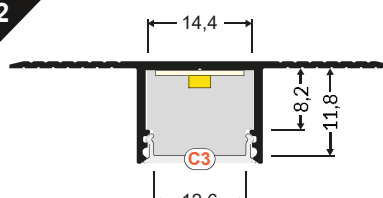

Note!
Due to the thermal expansion
of the material we recommend cutting the
diffuser at least 1 mm shorter depending
on various factors (e.g. power of source,
room temperature).

DIMENSIONS OF THE SPACE TO INSTALL LED SOURCE

5.1

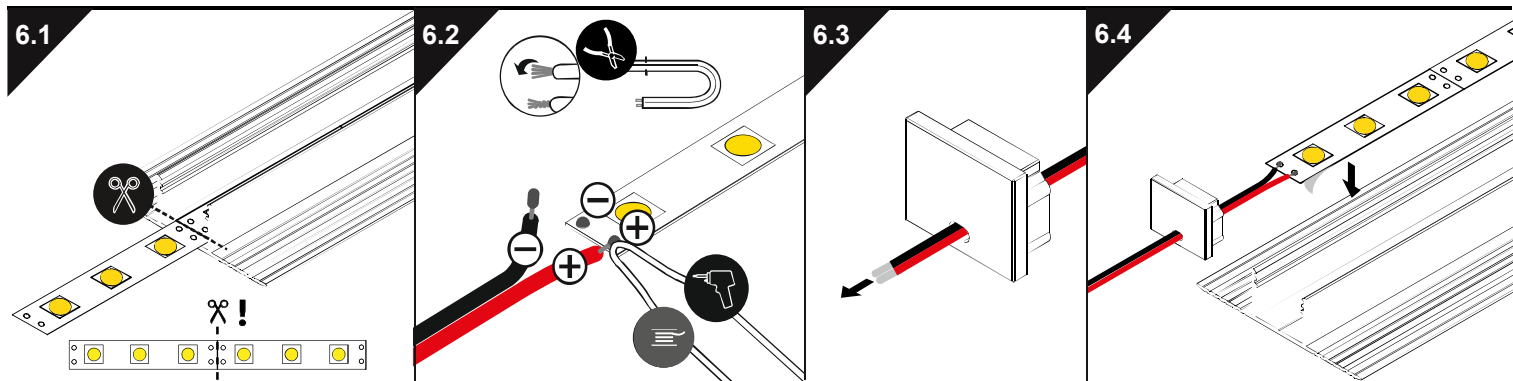

5.2

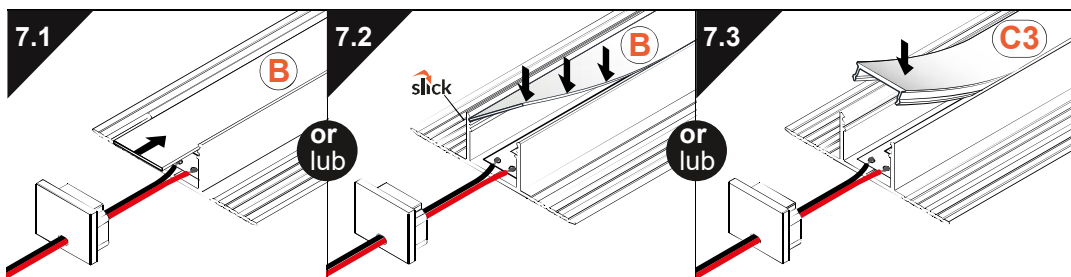

Hinweis!
Aufgrund der thermischen Ausdehnung
des Materials empfehlen wir, den diffuser
in Abhängigkeit von verschiedenen
Faktoren (z. B. Leistung der Quelle,
Raumtemperatur) mindestens 1 mm
kürzer zu schneiden.

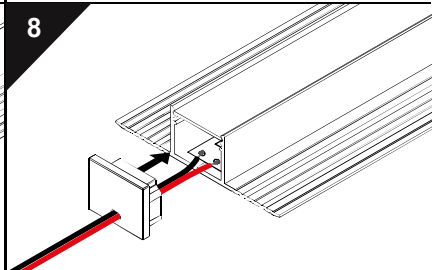

MOUNTING OF THE LED SOURCE / Montieren Sie den LED-Streifen

MOUNTING OF THE DIFFUSERS / Montieren Sie die Abdeckung

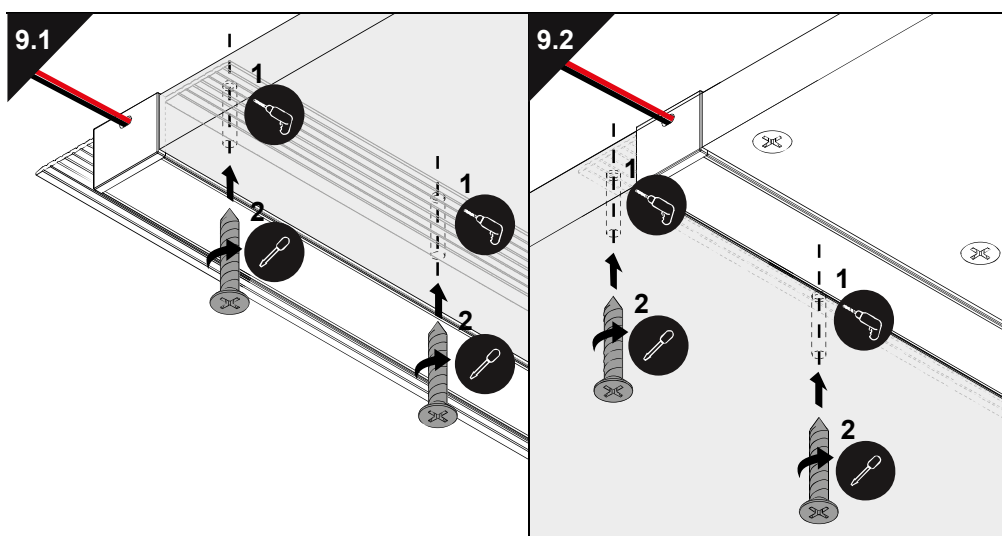

MOUNTING OF THE END CAPS Montieren Sie die Endkappen

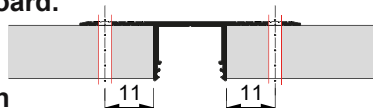

ASSEMBLY OF THE PROFILES IN THE PLASTERBOARD

Montieren sie die Leuchte in an der Gipskartonplatte

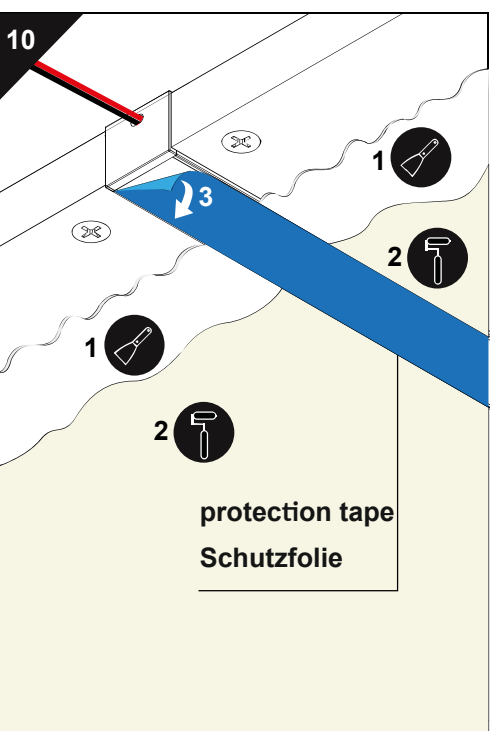

Recommended use of screws for plaster-cardboard.
Recommended screws spacing 50cm

Empfohlener Abstand der Fixierungsschrauben

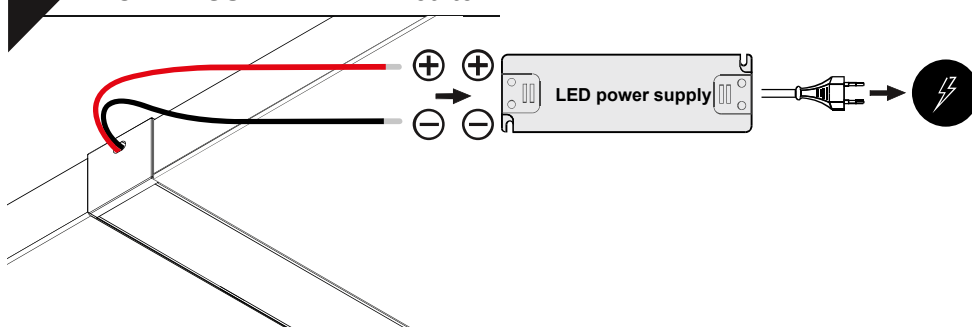

FINISHING OF THE ASSEMBLY SURFACE WITH FILLER AND PAINT

Spachteln, verputzen und malern
Sie die Decke

11 POWER SUPPLY / LED-Netzteil
